BIOGRAPHY

of

MR. CASTLEMAN

This year, 1944, closes the teaching career of Justus Collins Castleman — a career spanning better than half a century.

Mr. Castleman, a Hoosier by birth, received his early education at Chesterton, Indiana. Having completed his high school work, he began his career as a teacher in the fall of 1892, his first school being a rural district, where he conducted some twenty classes a day and did his own janitor work. Two years later he enrolled at De Pauw University, transferring in 1898 to Indiana University, where he took his B. A. degree in 1900, having majored in English and history. While in college he took an active part in athletics, both as a quarter-miler on the track team and a center fielder on the baseball nine in competition with a twin brother, his constant companion. He was also one of the editors of the school paper and the year book. He did his graduate work in the University of Chicago.

After finishing his university work, Mr. Castleman taught at Fairmount, Bloomington, and Evansville in Indiana, and in 1910 accepted Milwaukee's invitation to become a member of the South Division High School faculty. He spent many happy years at South as head of the English department. When the first World War came along, he enrolled with the Y.M.C.A. for overseas duty, serving in France during the last year of the war. On his return he taught at the School of Engineering for a short time, and later he resumed his duties at South Division. In 1924 he was made principal of Maryland Avenue School, where he remained until 1928, when he returned to the South Side as principal of Longfellow School. A new high school was needed on the southwest side, and when barracks were erected in 1933, Mr. Castleman was made the first principal. A few years later he proudly transferred his office to the magnificent building which Pulaski now occupies, and which he now leaves eleven years later with more than a touch of regret. Mr. Castleman expects to live in Milwaukee upon his retirement from school work this fall.

That on the banks of this delightful stream
We stood together?*

JANUARY CLASS HISTORY

The January Class of 1944 did not become active in social and academic affairs until its junior year. A meeting was held, under the auspices of the class sponsors, Miss Violet Asimont and Mr. Sylvester Suidzinski, for the purpose of electing worthy and capable leaders to carry on the ideals of our school. The class decided to nominate representatives from each homeroom and later vote on a commission. The people elected were Jerome Ash, Audrey Dereszynski, Margie Garske, and Leonard Fons.

Although the class consisted of only 86 students, one of the smallest graduating groups in the history of Pulaski High School, it showed excellent ability and leadership. This set an example for the remainder of the school and proved that strength may be found if the number be great or small.

The first outstanding event of the season was the Senior Prom. Ethel Latus of the February class and Robert Welch of the June graduating class reigned as Queen and King respectively. The decorations depicted marine life, and the music was furnished by Guy Grabmann. The next event was our traditional and colorful "Caper Day" held on December 10. Many humorous and historical costumes were worn.

Some of the characters portrayed were as follows: angels, Chinese, Snow White, Daisy Mae, Pistol-Packing Mama, Hitler, Lady in an Alice blue gown, Whistler's Mother and her son, Miss Uncle Sam, soldiers of World War I and II, and others too numerous to mention. The Senior Vaudeville held on Monday, January 17 was a complete sell-out. It consisted of several acts; namely, the bowery dance, the bowery girls from Pulaski High School, a melodrama with a zoot-suit hero, and the band with Freddie McGurgle. Credit must be given to Audrey Dereszynski who devoted her time to make the vaudeville a success.

The class was proud because its students were the first to have their pictures for the annual taken in caps and gowns, all were pleased with the results.

On January 24, a banquet was held at the Pfister Hotel, and the next evening the 86 Seniors marched down the aisles of our auditorium in gray caps and gowns to receive their diplomas. A reception was held later in the gymnasium. It was a happy occasion; nevertheless one that had its serious side for it meant that these young people had completed their happy days at Pulaski High School.

JUNE CLASS HISTORY

In September of 1940, the class of '44, the school's largest class up to that time, made its debut into Pulaski society. It didn't take long for this group to make all take notice of its presence.

The first year, under the supervision of its class sponsors, Mrs. Gloria Schmidt and Mr. Edward Batterman, and election was held in which the following officers were chosen: Edmund Wisniewski, President; Russell Coley, Vice President; Adeline Bednarek, Secretary; and Robert Welsh, Treasurer. With the aid of these selected leaders the class really started to do things. The first undertaking was a dance in the clubroom, which proved to be a big success. When another dance was held shortly after, this class became the first to sponsor two dances successfully in its freshman year.

The sophomore year the same officers were chosen with the exception of Warren Reis, who was chosen as secretary. Sorow touched the class for the first time when, after only one semester of service, Warren Reis was claimed by death.

Next came the all important junior year. The main social event of this period was the junior prom. Russell Coley and Bernadette Guss ruled as King and Queen with Howie Emerson's Orchestra providing the music.

During this year the class showed its patriotic spirit when, after an all-out effort, it won first place in a bond race.

Another election took place in the middle of the junior year. This time it was decided to choose a commission to plan the traditional activities for the senior year. The members chosen were Russell Coley, Robert Welsh, Georgene Pandzieck,

Joyce Carey, and Edmund Wisniewski.

To the field of sports the class of '44 contributed many laudable athletes: Joe Muschinski, City Diving Champ; Danny Buchatz; and Ervin Anderson, the backbone of the City Champion Swimming Team of '44. The two most outstanding, all-around athletes of the class were Robert Jaskulski and Harvey Kossow, both starring in football, basketball, and track.

Much too soon came the final year and with it a few changes. When Georgene Pandzieck and Russell Coley were graduated in February and Edmund Wisniewski joined the Armed Forces, vacancies were left on the Class Commission. This made necessary another election. The student chosen were Harry Carlson Robert Jaskulski, and Patricia Czerwinski. On Caper Day, the first event of this year, the seniors portrayed their favorite fiction, movie, or in-the-news characters. Next the class held a football hop for the benefit of two students injured in football practice. The senior prom which followed saw Robert Welsh and Ethel Latus ruling as King and Queen, in a beautiful setting of Marine life. Following these activities were the Senior Class Play, Cap and Gown Day, and the Senior Banquet held at the Schroeder Hotel. With graduation on the night of June eighth the history of the class of '44 was ended.

General Office

Attendance Office

Treasurer's Office

For ten years I, who wrote these lines, have been affiliated with the Pulaski High School. To say that my relationship has been pleasant and happy would be to put it mildly. I have seen the school grow from a few hundred to some two thousand, during which time it has become in

deed, and in fact, a typical Milwaukee high school.

The time has come again to say "Goodbye". Heretofore, the expression was only intended to bridge over the summer vacation; this time it is in a sense for me, for all time.

A finer lot of boys and girls than the Pulaski boys and girls would be difficult to find anywhere—typical young Americans that have grown and developed with the school's growth. I do not mean to lecture, but I should like to leave a last parting thought with you. — That thought is this: even as things are, this world of ours is a fine place to live in, that is if you will but make your lives count big in the community in which you live, and if you will grow to what the Bible calls "full stature". Whether you shall make a failure or a success of this wonderful thing we call Life, is almost entirely in your hands to determine—each one for himself. We hope that the experiences you have met with at the Pulaski High School may be helpful to you in making your decisions. Take the best that you have learned and make it yours. The fact that you all must bear responsibilities and be helpful to others, if you would rise to your own possibilities is the natural order of things.

The contact we have had with Mr. Brown and the Pulaski High School faculty, men and women of merit, goodwill and good judgment, will mean more and more to you as the years go by. So will the intermingling with your fellow pupil friends whose friendship you will find the best fellowship that you will ever know.

Pulaski! May it come to mean more and more to you. May the fond memories of the days you spent at this, your school, be sweeter as time goes on.

Goodbye means "God be with you". Goodbye boys and girls! I shall miss you sadly as the years go by. Of this you may be sure, I shall never forget you, so long as I live.

—J. C. CASTLEMAN

The first decade of Pulaski High School is now a matter of records; perhaps it is too early to write the story of these first ten years—we are still too close to the events to properly evaluate them. But, we are over the organization period. We have a splendid plant, faculty and student body. We have some tradition and have begun a record of accomplishment in athletics, scholarship and service to the country.

Whatever the ultimate judgment of time, as to these first ten years, no one will gainsay the force and value of the kind, courteous personality of its first principal—Justus C. Castleman. To know him is to love, and to want to work for, and with him. Many return to the school to see him. All wish him well.

May he have many years of happy recollections and may his memories of the school be as pleasant to him, as ours are of him.

CAVALIER ANNUAL

The 1944 Cavalier Annual was again under the supervision of Mr. Ralph Graves and Mr. Edward Batterman. This is the second year that Messrs. Graves and Batterman have been in charge of the Annual. Advertising for the book was handled by Beverly Braun under the supervision of Mr. Raymond Shaw.

The Premier Engraving Company, represented by Mr. Roy Stouthammer, did the engraving. Mr. Charles Henrichs and the Broadway Press printed the annual. Pictures were taken by Gimbel Bros., Mr. Ralph Ficken, Mr. Dennis Wierzba, Mr. Graves, and Mr. Batterman. Miss Edith Friese and Miss Eunice Doring supervised the division quotations and all literary material.

A record breaking sale of sixteen hundred fifty annuals occurred after a student rally in which subscribers were made members of the "Cavalier Booster Club".

FOOTBALL -- 1943 SEASON

The 1943 football season opened September 1, not only with a large group of new boys, but with a new coach. Coach Ray Schmidt, formerly of South Division, was sent to our school to head the football squad this year. Graduation had taken most of the letter men, but a few of last year's squad were back, including: Robert Jaskulski, George Rice, Werner Mueller, John Kmet, Dick Gill, Harvey Kossow, and Russell Coley. With the first game not far in advance, the Ramblers got down to work. A few days before the first game a crushing blow was handed them when Russ Coley

and Alvin Wierzba, two ends who were battling for the first position, were injured and forced to retire from football for the remainder of the season. The first game, with St. Francis, was a see-saw game, the score changing hands a few times but ending with a score of 19 to 12 in favor of our opponents. The Ramblers, however, had a lot of bright spots among which the plowing and plunging of fullback George Rice and the 35-yard run of Robert Jaskulski after a short pass, were the brightest. The next week the Ramblers traveled to South Milwaukee where they were solidly trounced

by a score of 24 to 6. The Rocket's powerful running attack was too much for the over-weighted Ramblers. The loyal Pulaski rooters were handed something to shout about when Bobby Jaskulski faded back and threw a long pass to Dick Gill, who raced the remaining 30 yards to a touch-down. Then came the first conference game with Lincoln, in which the Ramblers were beaten 13 to 0. The team played well but did not have the necessary punch to defeat the favored opponent. The following week the team was handed another setback by the speedy West team, which beat us with a score of 26 to 0. Then came the homecoming game with Bay View, which was a heated contest. The Ramblers scored first when Mike Stempki threw a short pass from the nine-yard line to Bobby Jaskulski to give the team six points. Bobby also kicked the extra point. Bay View scored in the fourth quarter, and the game ended in a 7 to 7 tie. The purgolds of Washington were next for the Ramblers, and the favored opponents were victorious 40 to 7. The Washington eleven went on to win the city title, but the Ramblers scored on a play that covered 90 yards. Bobby Jaskulski threw a short pass to halfback Tony Nadolny, who showed a lot of speed and raced 80 yards to score. Jaskulski kicked the extra point to climax the scoring for the Ramblers. East came next, and the Rambler team was beaten 27 to 0. It was a considerably hard-fought game despite the score. The last game of the season was with Custer's Red Men and was also a hard-fought battle. The first and second quarters were hard tussles; the third and fourth quarters brought defeat to the Ramblers.

The game and the season ended with a one-half gain and seven and one-half losses. Although the season was unsuccessful for the school, Harvey Kossow was honored when he was chosen on the All-City team for his great offensive and defensive play. He was chosen Captain for the 1944 season by his team-mates.

BASKETBALL

The 1943 season started out with many new boys. The 3 returning lettermen of last year's squad were, Arnold Mucha, Dan Brzezinski and Bob Jaskulski.

The nucleus of the new team was very promising and it did not take Coach Wally Olen long to pick out his starting 5. Ken Fons and Harvey Kossow filled the vacancies left by graduation.

Pulaski opened its season with three non-conference victories. These games offered much needed experience and gave the Coach a chance to see the boys under fire. The opponents were St. Stanislaus, Horlick at Racine, and West Allis.

In the first conference game the boys were going after their thirteenth consecutive victory, but, to the surprise of all, South tipped our Varsity 41-37. South's accuracy from the free throw line gained them the victory.

With Ken Fons leading the scoring column with 19 points the boys redeemed themselves with a hard fought victory over Bay View by a score of 36-34. Good ball handling by Bob Jaskulski in the closing minutes kept

Bay View out of reach.

The following week the Ramblers proved their skill in an overtime game with Tech—37-35. Once more it was Bob Jaskulski's ball handling with Arnie Mucha's carrying the scoring lead totaling 11 points that brought about the victory.

In the next game Arnie Mucha a February graduate, scored 15 out of 31 points against Lincoln's 29 points giving us another victory.

Hopes for another Championship were given a terrific jolt when the hard driving Juneau cagers upset Pulaski 26-19.

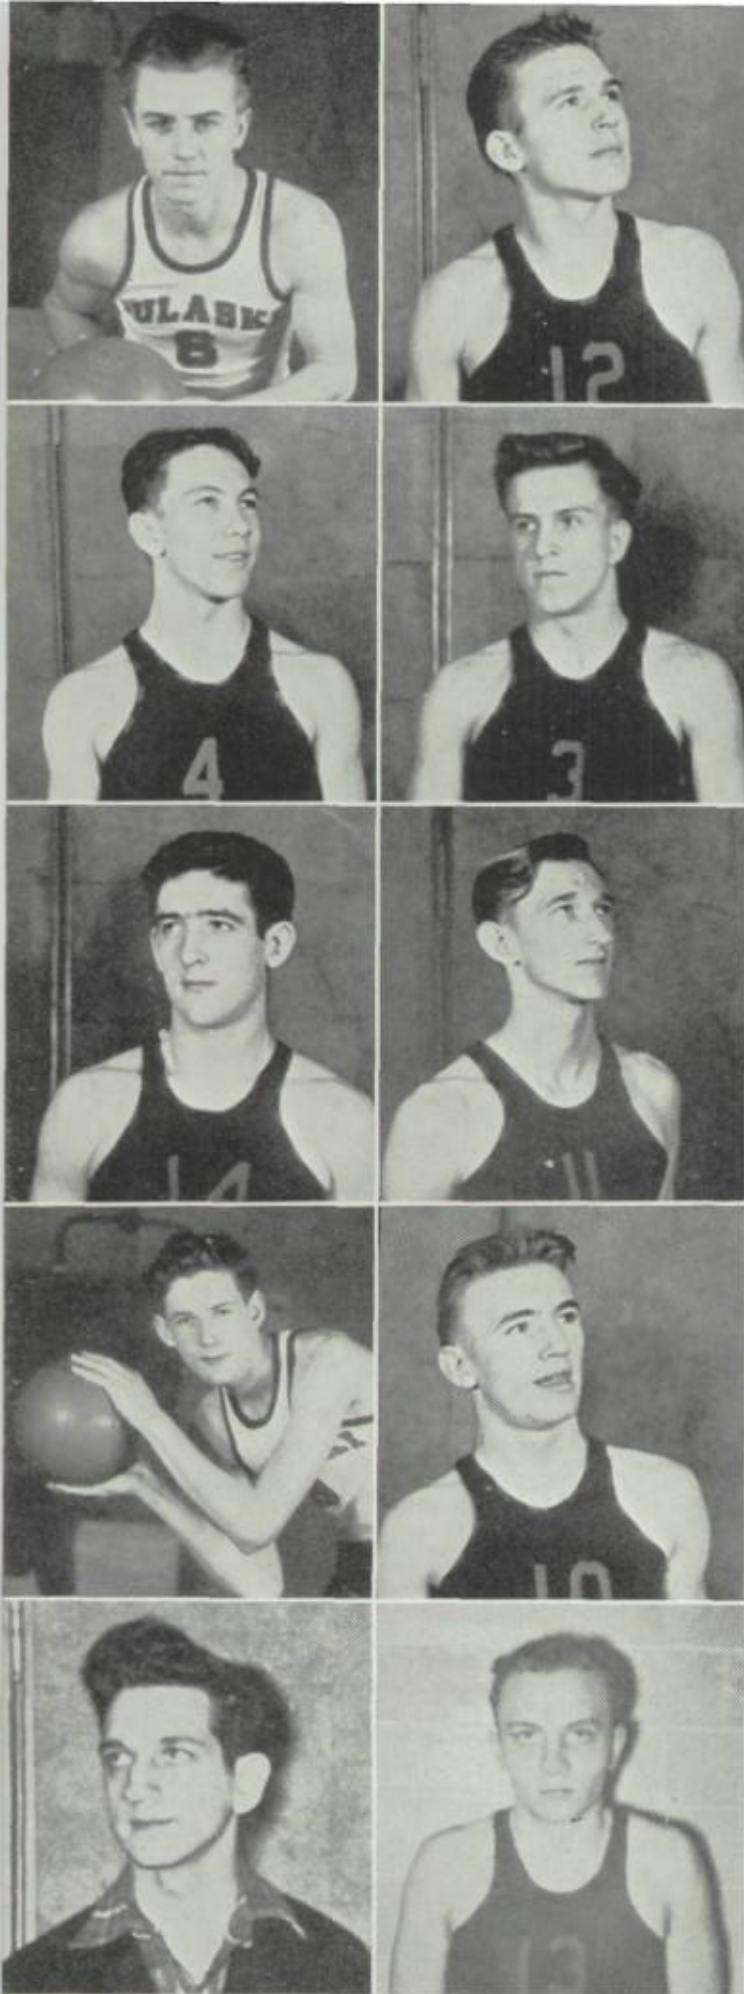

In its opening game of the second round Pulaski once more opposed South, this time on our floor. The outcome of the meeting was another victory for the home team 31-29 with Ken Fons leading on the scoring column with 14 points.

The next week gave the fans their last chance to see Arnie Mucha, Dan Brzezinski, Bob Baldewicz, and Gordon Hoffmann in action before their graduation. With each

boy scoring points the Ramblers gained an easy victory over Bay View, 47-33. Bob Jaskulski was leading scorer with 11 points.

Loss of regulars was severely felt the following week — when Tech upset Pulaski 26-24. The defeat can be partly blamed on the experience of the newcomers. At the close of the game only two regulars remained on the floor.

With one game already under their belt, the newcomers easily defeated Lincoln, 42-27. Harvey Kossow was the outstanding player, scoring 15 points and taking more than his share of the rebounds.

In the last scheduled game the varsity easily defeated Juneau 34-18. Ken Fons, the leading scorer for the season, scored 19 points.

At this point Pulaski entered the play-offs against the north side champions, North Division. The boys were out classed. The Ramblers showed their speed and talent but were outplayed by the North side team. The score ended 34-46. The high scorer for Pulaski was Harvey Kossow. Three boys were placed on the all city team; Ken Fons, Bob Jaskulski, and Harvey Kossow.

CITY SWIM CHAMPIONS

For the second time in three years Pulaski's mermen have taken the city championship. This was brought about by the excellent coaching of Matthew Wielgosz, former assistant coach, who has taken over the coaching job of Mr. Royal, now in the Navy. Besides winning the city title, the Ramblers won all but one meet during the regular season. The swimming meets included those with Boys' Tech, Kenosha, East, Bay View, North, West Milwaukee, West Allis, Washington, and Lincoln. And once again the Ramblers managed to win over the Boilermakers, the second time in 4 years. Pulaski pulled into first place with a total of 57 points; Tech was second with 42 points, and Washington third with 21 points.

The two fancy divers, Joe Muchinski and Ervin Anderson, showed their talents by placing first or second in every meet. Joe placed first in the city diving event, with 157 points, and second in the state.

The outstanding swimmer and graduating senior, who was also a double winner in the 50 and 100 yard free-style in the city meet was Dan Buchatz. Dan scored the most points—87—during the season and was chosen captain of the squad.

TOP ROW: Donald Mapes, George Bausch, Roger Ruppel, Gordon Pepkowski, Wilhem Carl Szortyke.

BOTTOM ROW: Kendzierski, Ronald Manske, Dale Warden, Robert Boeglein, Paul MacGillis, Melvio Jagodzinski, Coach Matthew Wielgosz.

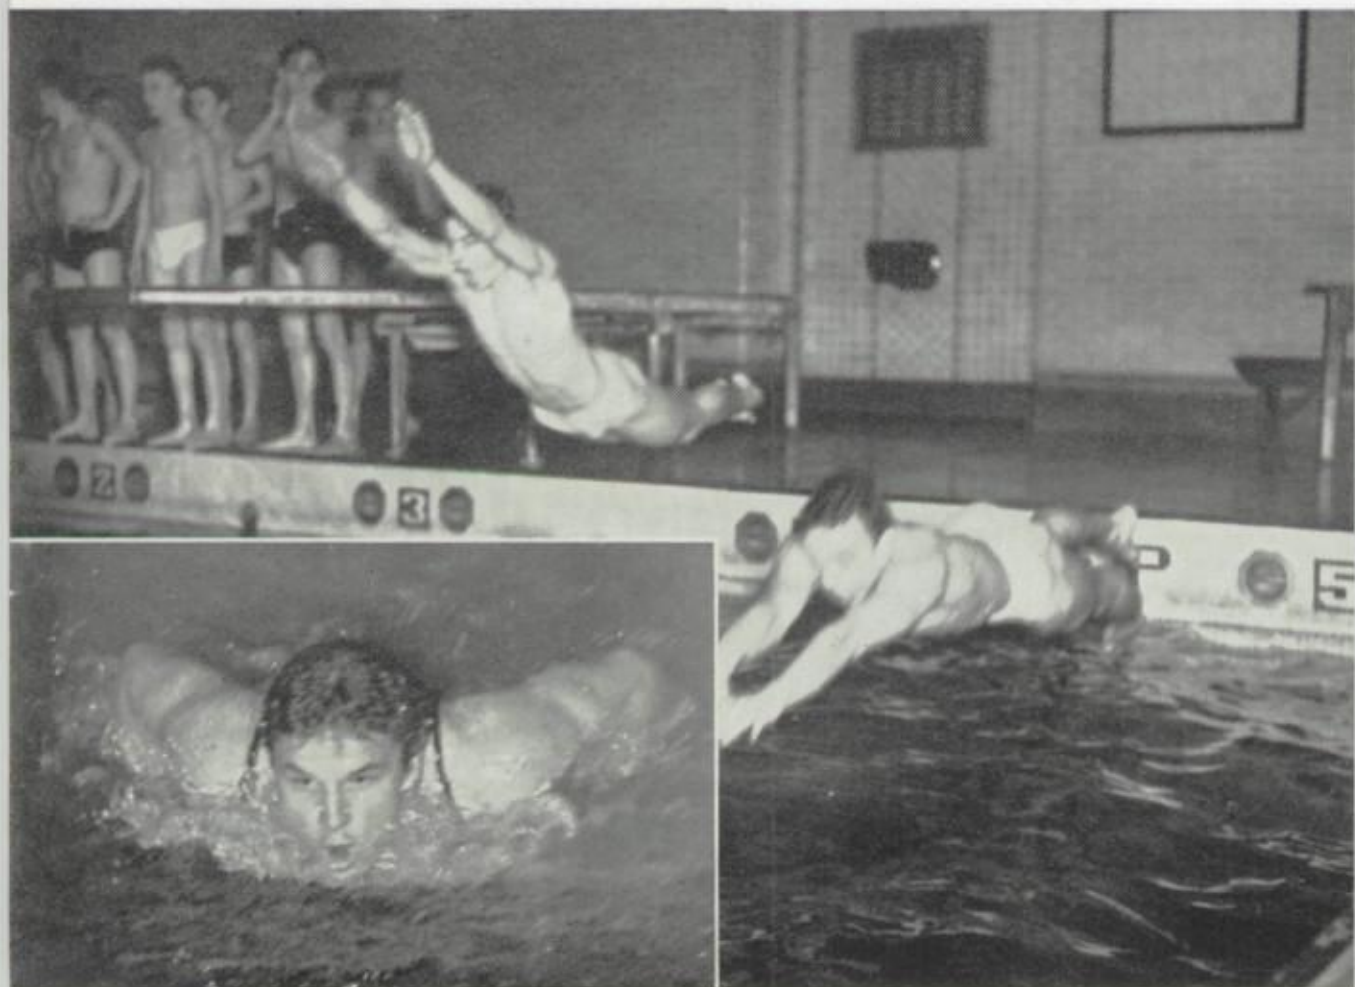

Robert Nichols, another graduating senior, his first year out was rated second best with—47—points. He is one of the best back-strokers Pulaski ever had. Bob came in second in the 100-yard backstroke event and was on the 150-yard medley-relay that placed second in the city.

Other scorers in the city meet were Harold Warden—100-yard breast, Lloyd Buss—50-yard free, Lloyd Leder—75-yard individual, Meritt Horn—100-yard breast, Ralph Gehrman—100-yard free, Charles Brown backstroke, John Zacharias—75-individual, and Don Nowakowski, 9A in the 200-yard free.

The relay team took second place in the 150-yard medley-relay and first in the 200-yard relay.

In the state meet the Ramblers nosed fifth with 15 points. Wauwatosa took the title with 35 points. Dan Buchatz placed third in the 50-yard free, and Lloyd Buss tied for fifth place.

Arnold Bielawski, Thaddeus Dziadulewicz, Barney Spott, Ray Pisarek.

The dashes were run in the basement corridor. The gym was used for field events and long distance running.

The first track meet was on April 21, when our opponents were West Division. Pulaski defeated West by a score of 62 to 51. Ted Dziadulewicz, a senior, placed first in the 100-yard dash with a time of 10.9, and Arnie Bielawski, Ed. Dudek, and Chet Piskula placed first, second and third for Pulaski in the 440-yard run. Eugene Mecikalski placed first with a broad jump of 18' 6". Harvey Kossow, of basketball and football fame, and the only major letterman

back of last year's squad, hurled the discuss 129' 1" for an easy first.

Pulaski's second meet was with Marquette. Marquette defeated Pulaski with a score of 85 to 36. Four boys placed first in the events . . . Harvey Kossow, in the discuss with a throw of 127' 1", Gene Mecikalski in the broad jump, Donald Gehrman in the 880-yard run, and Erv. Bielewski in the 440-yard event.

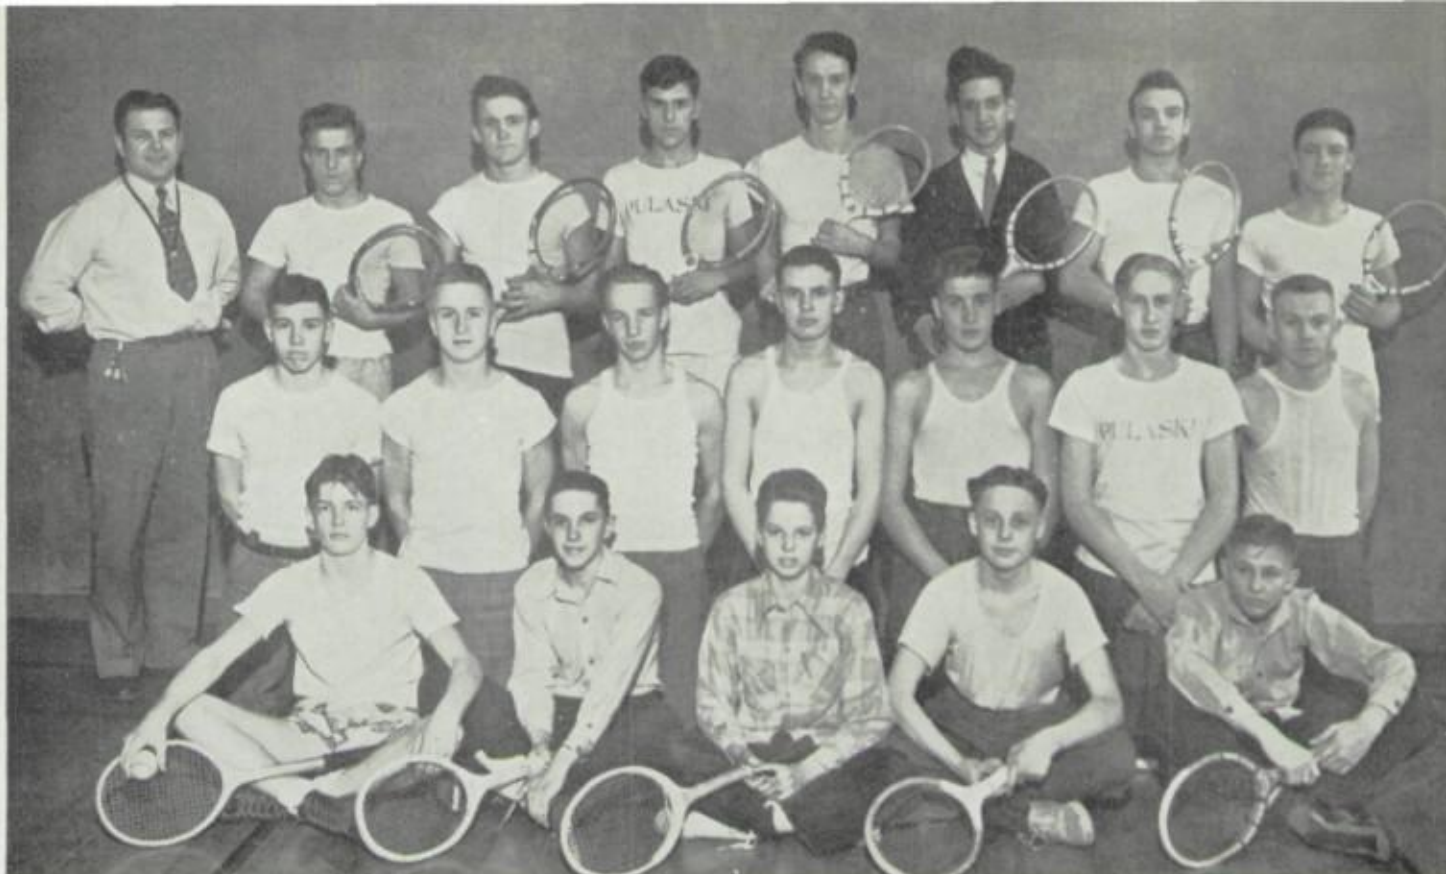

Of the 1943 track team, the only returning lettermen were Kossow, Ghandi, and Gnabasik.

TENNIS

With the loss of our former tennis coach, Mr. William Czarnecki, Pulaski was left with the problem of finding a new tennis coach. The job was taken over by our swimming coach, Mr. Wielgosz. The beginning of the season brought out a large group of boys. The group was too large to handle for one coach, so the following boys were chosen for the first tennis match with Rufus King, Gil Mecha, Bob Welsh, Lloyd Buss, Art Bonk, Dick Mlynarek, and Bob Jaskulski of basketball fame.

The second game was with East Division. Pulaski took first in the singles and doubles, and the score was a tie 2-2.

The leading man up to the last meet was Dick Mlynarek, a letterman of last year's squad, while Gil Mecha, a letterman of last year, was second.

(Editor's Note: Because tennis is played later in the season than this book goes to press, we cannot tell the final results of the work of this team.)

PAGEANT SHARING AMERICA

A colorful pageant, "Sharing America", as adopted to our needs by Miss Mary Zembrosky, assisted by Mr. Gustave Stoelting with Mr. Melvin Hillier as musical director was presented. The band supported the pageant with the boys and girls glee club and the A Cappella choir.

Part one of the pageant, "Sharing Our National Heritage," included the tableaux, "The Minute Man", and "Betsy Ross".

Part two was "Sharing Our Regional Heritage". It consisted of a cotton picking scene, a western scene, a polka dot dance, and a home scene.

Part three was "Sharing Our Wartime Work", including the industrial scene, the presentation of our armed forces, color guard, and Uncle Sam.

We will long remember such times as "Columbia the Gem of the Ocean", "Yankee Doodle", "Carry Me Back to Old Virginny", "Old Man River", "Home on the Range", "Home Sweet Home", and our service songs.

The faculty assisted with the pageant.

WHY THE CHIMES RANG

The Christmas program, produced through the combined efforts of the speech, music and art departments, was religious in nature. A medley of Christmas airs "Around the Christmas Tree," under the direction of Mr. Niefer, opened the program. A processional which included the boys' and girls' glee club, choruses, and the choir, was directed by Mr. Hillier. Then followed the high point of interest, a one act play, "Why the Chimes Rang", which expresses so vividly the divine beauty of charity. The program closed with the singing of "Alleluia" by Perry Lee Atherton.

Arnie Mucha

Arnie, one-sport man, came out for basketball all four years he spent at Pulaski. He was an excellent center and rebound man. He succeeded in getting on the Varsity team when he was a sophomore. It was in his last two seasons that he won his major letter. Arnie was not an individualist; when he played it was for the good of the team.

The surprise of the season occurred when he made his highest scoring record by playing without his glasses.

Ken Fons

Ken was active in more than one sport. He won a minor letter in tennis as a junior.

As far as his basketball career was concerned, Ken played for the Varsity squad for two years but he didn't win a letter until his senior year.

Ken is an excellent shooter, "dead" from most positions, and plays his position as forward well.

His scoring ability gave him top individual score in many games.

THIS TRIBUTE TO KEN FON'S APPEARED IN THE MILWAUKEE SENTINEL DECEMBER 17, 1943. LOU GRANT'S ORIGINAL SKETCH IS PRESENTED WITH THE COMPLIMENTS OF THE SENTINEL...

YOUR FUTURE...

You haven't had a chance to see very far ahead of the urgent present. The postwar future is somewhat clouded by war secrecy.

But because we make a diversified line of products serving over 125 types of business and industry, we've been able to see quite a lot of the future.

It's pretty exciting.

Some of you, we hope, will be with us here at The Heil Co. developing and marketing new products for better living for more people..

Why not plan to start here this summer? You can put your vacation to good use by learning production and manufacturing methods under peak wartime conditions. You'll earn a good salary too. And when you finish school you'll be ready to step into the kind of job you really want.

Keep on the Offense

Are you thinking about the future of your business as well as your own future? These days, very few firms are able to supply their customers as before. What to do? To ignore the situation for the duration, with the hope of renewing old ties when the purpose suits, is a fairy story that never comes true. What you can do now is to advertise continuously and consistently. Business lasts only as long as people know its products and believe in them, so keep your name and products before your customers and prospective customers. Begin your offensive drive in national emergency advertising by calling the Premier Engraving Company.

MEETING THE DEMAND FOR WARTIME PRODUCTION

Nordberg contribution to the war effort has been supplying the tools of war needed by our armed forces. Vital supplies to our forces overseas and to our Allies are being carried in vessels propelled by Nordberg Diesel and steam engines. The production of chemicals, strategic metals and other materials for war are produced through the aid of Nordberg machinery. In addition to the regular line of Nordberg products that have gone to war, vast quantities of naval ordnance have also been supplied.
